Onshore and offshore doctor medic HSE advisor Provide health and medical care onboard and also HSE advisor Occupational Health mentor I am writing to express my interest in the onshore / offshore Doctor / Medic HSE Officer/ occupational health advisor position. I hope really to take this chance. I am a medical doctor with strong experience in offshore and remote operations, occupational health, emergency response, and maritime medical support. I have previously provided medical care and HSE leadership for oil and gas companies, large crews and passengers of 350+ personnel, ensuring safe operations and effective clinical management in isolated environments. I hold several key certifications relevant to maritime and HSE roles, including: BOSIET + CA-EBS STCW Medical Care & First Aid at Sea IOSH Managing Safely NEBOSH Environmental Management Certificate OSHA General Industry & Construction MRSPH These qualifications strengthen my capacity to manage onboard risks, environmental controls, incident response, and compliance with maritime safety standards. My experience includes operating and managing remote area medical clinics, delivering emergency care, coordinating medical evacuations, implementing HSE procedures, conducting toolbox talks, performing risk assessments, and promoting environmental protection awareness on-site. I have also supported shipboard HSE functions including hazard identification, environmental monitoring, and ensuring alignment with international marine safety regulations. I believe my combined background as a shipboard medic, offshore physician, and HSE-focused practitioner makes me a strong fit for this role. More details about my experience and capabilities are included in my attached CV. Thank you for your time and consideration. I would welcome the opportunity to contribute to your team. Kind regards,

Mrsph IOSH managing safely Osha general industry and construction Nebosh emc MIMMS HMIMMS Acls bls phtls atls pals Mbbs
