Additional Information

Roles and Responsibilities	Additional Skills/Certification
----------------------------	---------------------------------

I was Senior Barge Engineer /Master at MegaDrill LTD that operates 3 rigs, 6 tug boats and 20 barges in Nigerian sector. In this position over the past 11 years I have gained ample experience in the field of Marine operations in oil and gas drilling sector. As a part of my 17 years of experience 6 great years I have spent on Tender assist rig in various positions operating in Malaysia, Indonesia and Thailand. Through that period I have spent a several years in position of Barge Master/OIM on board the tender rig owned by Momentum Engineering working for a client- Petronas. I would like to bring to your attention that I have been companies on board representative for all rig moves around their fields (Baronia field, West Lutong field, Temana field, Bocor field, Kinarut Field and Rasak field). On all of the above mention locations we have been working on well intervention / work over projects with hydraulic work over units owned by UMW Malaysia company. I would describe myself as someone who is nighty motivated and passionate about any task given in my area of expertise. My experience as team leader on several different rigs and barges, has provided me with the expertise to be able to make a valuable contribution to your organisation.
