## Additional Information

<b>Roles and Responsibilities</b>	<b>Additional Skills/Certification</b>
-----------------------------------	--

Results-driven Materials and Inventory Coordinator with hands-on experience managing spares, materials, and logistics onboard an FPSO. Known for maintaining accurate, audit-ready inventory records and ensuring seamless stock movement through CMMS and stock control systems. Skilled in planning and controlling spares for routine operations, shutdowns, and turnaround maintenance, while coordinating closely with procurement, maintenance teams, and shore base to ensure timely availability of critical materials. Proven ability to manage purchasing processes, follow up orders end-to-end, and verify incoming materials against purchase orders, manifests, and certification requirements. Strong focus on inventory optimization, safety-critical spares identification, hazardous materials control, and regulatory compliance. Adept at conducting stock audits, maintaining minimum/maximum levels, and keeping stores secure, organized, and inspection-ready. A collaborative team player and offshore management team member who supports daily planning, permit-to-work processes, and on-the-job training—ensuring materials are always available, compliant, and ready when operations need them.

- Microsoft office package
- Computerized maintenance management system (CMMS) – IFS, STAR IPS.
- Inventory, Logistics and Distribution Training.
- Mastering purchasing fundamentals.
- Helideck assistant training.
