Dear Sir/Madam, Good Day, I am writing to apply for the position of Trainee DPO / Junior DPO. I am a certified Officer of the Watch (OOW) with solid tanker experience and a clear career objective to develop as a professional DPO within the offshore sector. I currently hold a DP Induction certificate and an active DP logbook and am fully prepared to join as a TDPO / JDPO to gain practical DP watchkeeping experience under supervision. I clearly understand the learning nature of this role and am motivated to build my DP competence step by step in compliance with IMCA guidelines and company procedures. My background as a Second Officer on oil/chemical and bitumen tankers has provided strong transferable skills relevant to offshore DP operations, including: ? Bridge watchkeeping in high-risk and restricted environments (ice navigation, high traffic density, STS operations); ? Strict adherence to safety management systems, permits to work, and risk assessments; ? Effective bridge resource management and clear communication within multinational crews; ? Participation in emergency drills, inspections (PSC, SIRE 2.0, terminal and flag state) with no observations; ? Strong situational awareness and ability to operate under pressure during critical operations. In addition, I hold all required offshore readiness documentation, including BOSIET (HUET with CA-EBS/EBS) and valid OGUK medical, and I am available to join ASAP on flexible rotations and short-term contracts to accelerate my DP development. I am highly motivated to commit to a long-term offshore DP career and would welcome the opportunity to contribute as a reliable and safety-focused TDPO/JDPO while progressing towards full DPO certification. Thank you for considering my application. I would be pleased to discuss how my background and motivation can support your offshore operations. Kind regards, Konstantins Voroncovs 2nd Officer / TDPO Nationality: Latvian DP Induction | DP Logbook BOSIET | OGUK Medical Available ASAP

Experienced 2nd/3rd Officer. OOW Unlimited, Full set of STCW, DP Basic, BOSIET + HUET CA-EBS/EBS, GWO full BST, OGUK
