## Additional Information

<b>Roles and Responsibilities</b>	<b>Additional Skills/Certification</b>
-----------------------------------	--

With extensive experience in offshore jack-up rig operations and shipyard coordination, I have a proven track record of maintaining precise inventory control, facilitating seamless logistics, and supporting efficient rig operations. Alongside past experience on an ADES rig at Bahrain's ASRY Shipyard. I bring the technical expertise and operational discipline needed to handle complex material systems and supply chains in dynamic environments. Key Highlights: Expertise in inventory auditing, cycle counts, and SAP-based warehouse management. Skilled in preparing accurate cargo manifests, MTFs, and GRNs for air and sea logistics. Hands-on coordination with department heads to manage PR logs, IRRs, min-max stock levels, and avoid duplications. Strong compliance with QHSE protocols, hazardous material handling, and waste segregation. Proven ability to train, guide, and mentor warehouse teams and assistant coordinators. I am confident that my background in both offshore and shipyard settings and my commitment to operational accuracy and safety would be a strong asset to your team. I look forward to the opportunity to contribute. I have all my certificates ready.
