----------------------------	---------------------------------

I am a Chief Officer with offshore experience and a previous background in the tanker fleet. Currently, I am seeking employment either as Chief Officer or as Officer on the Watch with DP Induction (Junior DPO). I have solid experience working as a Chief Officer, including offshore operations, as well as previous service in the tanker fleet, where I gained strong knowledge of safety management systems, cargo operations, bridge resource management, and compliance with international maritime regulations. This background has given me a disciplined approach to work, a high level of safety awareness, and the ability to operate effectively in demanding and high-risk environments. At present, I am seeking employment either in the position of Chief Officer or as an Officer of the Watch with DP Induction (Junior DPO). I am actively developing my DP experience and am fully committed to further professional growth in DP operations. I am flexible, reliable, and able to integrate quickly into multinational crews, adapting to company procedures and operational requirements. Upon request, I can promptly provide my completed application form, detailed CV, DP logbook, and all relevant certificates, endorsements, and supporting documents. References from previous employers are also available if required. I am ready to discuss my availability and potential cooperation at any convenient time and would be pleased to answer any additional questions. Thank you for your time and consideration. I look forward to the possibility of working together and contributing to your team.

- DP Induction (Junior DPO), DP logbook in progress
- Strong knowledge of SMS, ISM Code, and offshore safety procedures
- Bridge Resource Management (BRM) and effective watchkeeping
