| Roles and Responsibilities | Additional Skills/Certification |
|--|---|
| Monitored environmental conditions such as sea state and weather to adjust crane operations and mitigate risks. Supervised and trained deck crew members on safe crane and Rigging/Lifting operation procedures and emergency response protocols. Implemented and followed strict safety measures and emergency response plans to minimize accidents and operational downtime. Coordinated with offshore teams to plan and execute complex lifting operations using pedestal cranes while ensuring compliance with safety regulations and OPITO standards. Conducted detailed risk assessments and implemented mitigation strategies for crane operations in challenging offshore environments to enhance safety and efficiency. Collaborated with maintenance teams to troubleshoot and resolve mechanical issues on pedestal cranes, minimizing operational disruptions. Operated and maneuvered offshore pedestal cranes with precision to safely lift and transport heavy loads within offshore platforms. | ICWF Crew Resource Management OPITO RIGGER STAGE 4 Preparing lift plans Rigging Coordinator |
