

FALCON[®]
MULTI SERVICES LTD

Falcon Multi Services Ltd

201, Creado, Juhu Chruch Road, Juhu Mumbai 400049

Personal Information

Candidate id	7731
Name	SANKET UBALE
Date of Birth	1992-02-26
Salary (in USD)	1500/Per Month
Industry	Engineering & Science
Sub Industry	Metallurgist / Materials Eng.
Nationality	India
Primary Language	English,
Secondary Language	Hindi,
Total Years of Experience	4

Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

Designing electrical systems and panel layouts using AutoCAD and Simplified ED Software for industrial applications. Skilled in selecting and integrating industrial automation components, including PLCs, HMIs, relays, circuit breakers, and variable frequency drives (VFDs), to ensure efficient and reliable control systems. Conducting load flow analysis, panel heat dissipation calculations, transformer sizing, and selection of switchgear and protection devices based on electrical design criteria and system requirements. Designing comprehensive MCC, PCC, ACB, VCB, and DG control panels with detailed wiring schematics, tailored to meet the operational and safety standards of the Oil & Gas industry. Designed electrical systems and panel layouts using AutoCAD and EPLAN and Simplified ED for industrial applications. Managed projects from concept through client handover, including documentation and quality control. Selected and integrated components such as PLCs, HMIs, relays, circuit breakers, and VFDs. Conducted short-circuit analysis, load calculations, and ensured compliance with safety standards. Maintained detailed project records including BOM, SLDs, schematics, and technical documentation

Training program of TVAS-Power system overview. Training program of TVAS-Best O& M practices for motors and Transformers

Education Summary

Course	University	Passing Year	Country
B. TECH	SARDAR PATEL COLLAGE OF ENGINEERING	2023	India

Career Summary

Position	Employer	Country	From	To
Electrical Design Engineer	N2S Electromech	India	04/2024	05/2025
Electrical Design Engineer	Elecmach Switchgear & Instrumentation	India	05/2025	01/2026
