Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

In my previous role, I was responsible for operating and maintaining radio communication equipment, transmitting and receiving critical information, and ensuring clear and accurate communication between departments and external agencies. I have experience monitoring multiple frequencies, logging transmissions, troubleshooting equipment issues, and adhering strictly to communication protocols and regulatory guidelines. My key strengths include: • Proficient operation of VHF/UHF and HF radio systems • Accurate message transmission and reception under high-pressure situations • Strong knowledge of communication procedures and call signs • Equipment inspection, basic maintenance, and troubleshooting • Detailed record-keeping and reporting • Ability to remain calm and focused during emergencies I understand the importance of precision, confidentiality, and reliability in a Radio Operator role. My strong attention to detail and ability to work in fast-paced environments ensure that all communications are handled efficiently and professionally. I am eager to bring my technical skills, dedication, and teamwork abilities to your organization. I would welcome the opportunity to discuss how my experience aligns with your operational needs.

Global Maritime Distress and Safety System (GMDSS) Certificate • Marine Radio Operator Permit (MROP) • STCW Basic Safety Training • Radar Observer Certificate • Automatic Radar Plotting Aids (ARPA) Certificates
