## Personal Information

<b>Candidate id</b>	7894
<b>Name</b>	Majid Rouhi Vejdani
<b>Date of Birth</b>	1978-03-28
<b>Salary (in USD)</b>	8400/Per Month
<b>Industry</b>	Engineering & Science
<b>Sub Industry</b>	Electrical Engineer
<b>Nationality</b>	Germany
<b>Primary Language</b>	English,
<b>Secondary Language</b>	
<b>Total Years of Experience</b>	20

## Additional Information

<b>Roles and Responsibilities</b>	<b>Additional Skills/Certification</b>
-----------------------------------	--

• Lead drilling engineer with previous background as Senior Drilling Supervisor & drilling engineering manager with more than 20 years of experience in engineering and supervisory disciplines mostly in offshore. The majority of recent experience gained in Horizontal Drilling, Workover, well interventions, Completion and well testing. • Outstanding knowledge of well planning for drilling and preparing well programs consist of assessing tortuosity of directional plan and compare it with rig capability for torque & drag, hydraulic and total power. • Keen to study worldwide latest development in order to suggest better equipment and standards to improve local technical limit facing in drilling operation. • Casing design and material selection for tubular with respect to the field formations characteristic and drilling plan. • Risk assessments, drilling the well on paper • Good understanding of IADC and API guidelines. • Preparing work breakdown structure (WBS) for the project schedule • Troubleshooting of complex drilling operations problems • Working with Landmark software, including COMPASS to plan trajectories of Wells and anti-collision study. • Casing Wear Calculation, Torque & Drag calculations in Well Plan and Stress check of Casing, Liner and Tubing. • Final preparation of EOWR and lesson learnt from operation high lights in offshore and onshore projects. • Offshore cluster wells Anti-collision calculation • Rig Evaluation and Support the rig intake process including rig acceptance. • Daily drilling operations supervision

Drilling Supervision

## Education Summary

Course	University	Passing Year	Country
M.sc in Petroleum Engineering	University of Tehran	2023	Germany

## Career Summary

Position	Employer	Country	From	To
Lead Drilling Engineer	UGS	Germany	05/2022	02/2026
