

FALCON®
MULTI SERVICES LTD

Falcon Multi Services Ltd

201, Creado, Juhu Chruch Road, Juhu Mumbai 400049

Personal Information

Candidate id	7914
Name	KRUNAL P VARMA
Date of Birth	1992-07-06
Salary (in USD)	2500/Per Month
Industry	Engineering & Science
Sub Industry	Metallurgist / Materials Eng.
Nationality	India
Primary Language	English,
Secondary Language	Hindi,
Total Years of Experience	10

Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

Designed and implemented Electrical systems for large-scale industrial, commercial, Hospital, Malls, Hospitality projects, including data centers and retail spaces. ? Project Management: Spearheaded the electrical design and implementation for multiple high-profile projects, including commercial complexes, residential towers, and industrial facilities, Malls, Hospitality, Schools, and University etc. Ensured all systems met project specifications, local regulations, and industry standards. ? Design and Coordination: Developed and reviewed detailed electrical designs, including power distribution, lighting, fire alarm, and security systems. Utilized software such as AutoCAD to create accurate schematics and layouts, ensuring seamless integration with mechanical and plumbing systems. ? Compliance and Standards: Ensured adherence to Indian Electrical Rules, IS standards (Indian Standards), and relevant local codes. Conducted regular inspections and audits to verify compliance and resolve any discrepancies. ? System Optimization: Implemented energy-efficient solutions and smart building technologies to enhance system performance and reduce operational costs. Conducted load calculations, power factor correction, and energy audits to optimize electrical systems. ? Team Collaboration: Coordinated with architects, project managers, and other engineers to address design issues and implement effective solutions. Facilitated project meetings to discuss progress, changes, and technical challenges

AutoCAD, Revit, and BIM (Building Information Modeling), Dialux, AGI32, Visual 3D, T24. compliance, Comcheck, Navisworks. Energy Efficiency and Sustainability Practices. Risk Assessment and Mitigation.

Education Summary

Course	University	Passing Year	Country
Bachelor of Science in Electrical Engineering	Gujarat Technological University	2014	India

Career Summary

Position	Employer	Country	From	To
Electrical Engineer	Pankaj Dharkar & associates	India	11/2017	07/2021
Electrical Design Engineer	Raywell Studio Pvt Ltd	India	08/2021	01/2026
