With over six years of experience in maintaining and supervising fuel station operations across Egypt, currently with TotalEnergies Egypt, I am confident in my ability to bring strong technical leadership, safety compliance, and maintenance excellence to your team. In my current role, I lead a team of technicians to perform scheduled and emergency maintenance, oversee the issuance and compliance of work permits, ensure adherence to safety standards, and deliver high-quality operational performance across more than 240 fuel stations. My background also includes hands-on experience with fuel systems, pumps, electrical panels, HVAC systems, and preventive maintenance protocols. I am OSHA-certified, and I have undergone extensive internal training with TotalEnergies in work-at-height, confined spaces, lifting, excavation, and Golden Safety Rules.
