Mechanical Technician - Preventive Maintenance Rotating Equipment such as gas engine and gas compressor - Corrective Maintenance Rotating Equipment such as gas engine and gas compressor - Overhaul Rotating Equipment such as gas engine and gas compressor - Create Report Preventive, Corrective, Overhaul gas engine and gas compressor - Create PTW "I follow the maintenance schedule strictly. For preventive maintenance, I perform regular checks, lubrication, filter changes, and calibration. For corrective maintenance, I analyze the root cause of the problem and repair or replace faulty components as needed. I also document every activity as per company procedures." Safety is always my top priority. I always wear the required PPE, follow the permit to work (PTW) system, attend toolbox talks, and follow lock-out/tag-out (LOTO) procedures. I also report any unsafe conditions immediately to the supervisor. Safety is always my top priority. I always wear the required PPE, follow the permit to work (PTW) system, attend toolbox talks, and follow lock-out/tag-out (LOTO) procedures.
