Additional Information

Roles and Responsibilities	Additional Skills/Certification
<p>I'm recently contractor of Get global group under Baker Hughes UAE as Coiled tubing supervisor and Tool specialist with real time data tool and downhole tools. I started working with NPS Qatar with Coiled tubing as an assistant operator then promoted as CT operator. Then joined BJ services in Saudi Arabia as operator they got promoted to Senior operator. After years, I got promoted to Coiled tubing supervisor. I got training also for Telecoil specialist then running the tools in Saudi. I'm working as both Coiled tubing operator and Telecoil specialist. After Covid I started doing Contracting jobs started with Baker Hughes project in Israel as Tool specialist and CT operator. after that project, they've asked me to work in United Kingdom. Bajer Hughes old their equipment's to Archer so then I just continue my job as Coiled tubing operator as 2nd man and Telecoil specialist. I've worked also in Azerbaijan same position and currently working now at Baker Hughes UAE.</p>	<p>Huet course with middle east and Europe</p>
