-----------------------------------	--

I am a hardworking and physically fit individual with a strong interest in working in the offshore oil and gas industry as a Roustabout. I have experience in plant operations and understand the importance of safety procedures, teamwork, and discipline in industrial environments. I am comfortable working in physically demanding conditions and can perform tasks such as loading and unloading equipment, cleaning and maintaining work areas, assisting drilling crew members, and supporting deck operations. I always follow safety guidelines and company procedures to ensure a safe working environment for everyone. I am a quick learner and willing to learn new skills related to offshore drilling operations, rig maintenance, and equipment handling. I can work effectively as part of a team and also follow instructions from supervisors and senior crew members. I am highly motivated to build my career in the offshore sector and ready to work in rotational shifts and challenging offshore conditions. I am dedicated, responsible, and committed to performing my duties with honesty and professionalism. My goal is to contribute to safe and efficient offshore operations while continuously improving my skills and knowledge in the oil and gas industry.

Basic knowledge of oil and gas operations, plant equipment handling, safety awareness, teamwork, physical fitness, ability to work in offshore conditions, quick learner, good communication skills, and willingness to follow safety procedures.
