201, Creado, Juhu Chruch Road, Juhu Mumbai 400049

Personal Information

Candidate id	8374
Name	Mohamed Aissaoui
Date of Birth	1993-02-22
Salary (in USD)	180/Per Day
Industry	Engineering & Science
Sub Industry	Other
Nationality	Algeria
Primary Language	English,
Secondary Language	French,
Total Years of Experience	3

Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

? Operated and monitored coil tubing units during drilling, intervention, clean-out, fishing, milling, kick-off, BHA (Bottom Hole Assembly), and MHA (Motor Head Assembly) operations ? Prepared, assembled, and inspected tubing, tools, BHA, and MHA components before deployment. ? Assisted in minor maintenance, troubleshooting, and repair of coil tubing and well intervention equipment. ? Ensured full compliance with HSE and site safety procedures at all times. ? Coordinated with drilling engineers, supervisors, and technical teams for efficient workflow. ? Monitored pressures, flow rates, and operational parameters to ensure equipment integrity. ? Responded promptly to equipment malfunctions and implemented corrective measures. ? Documented all operational activities accurately and reported incidents immediately. ? Supported safe loading and unloading of equipment and materials on-site ? Worked efficiently under high-pressure conditions in remote and challenging field environments. ? Participated in safety drills, professional training, and continuous improvement initiatives. ? Maintained awareness of environmental and operational risks during all operations. ? Demonstrated strong teamwork, communication, and problem-solving skills. ? Upheld professionalism, integrity, and adherence to industry standards at all times. ? Conducted pressure testing, leak checks, and operational verification of coil tubing systems. ? Assisted in well control operations and emergency response situations.

? Coil Tubing Operations & Intervention Clean-out, Fishing, Milling, Kick-off Operations ? BHA (Bottom Hole Assembly) & MHA (Motor Head Assembly) Handling ? Equipment Inspection, Assembly & Maintenance ? Pressure Testing & Leak Checks

Education Summary

Course	University	Passing Year	Country
Bachelor of Science in Electromechanical Engineering Technology	Hadj Lakhdar University – Batna 2	2011	Algeria

Career Summary

Position	Employer	Country	From	To
senior coil tubing operator	Halliburton Energy Services	Algeria	01/2024	03/2026
