

FALCON[®]
MULTI SERVICES LTD

Falcon Multi Services Ltd

201, Creado, Juhu Chruch Road, Juhu Mumbai 400049

Personal Information

Candidate id	8496
Name	GRIRIS Adem
Date of Birth	2001-07-22
Salary (in USD)	1500/Per Month
Industry	Engineering & Science
Sub Industry	Other
Nationality	Algeria
Primary Language	English,
Secondary Language	Hindi,
Total Years of Experience	4

Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

Visits to mechanical manufacturing workshops Discover the different stages of the production process Presentation and interpretation of mechanical engineering drawings Visits to manufacturing and maintenance workshops Preparation of technical reports and activity summaries ALIECO Spreader design project using reverse engineering Use of 3D design software : SolidWorks and AutoCAD Application of mechanical design principles: strength of materials, stresses, and constraints Structural simulations and design validation of mechanical components Documentation of design methodology and technical reporting for project evaluation

17 Mechanical Engineering graduate with a strong focus on mechanical design and product development. Skilled in applying engineering principles to deliver efficient and reliable solutions, with hands-on experience in CAD modeling, reverse engineering, and simulation. Highly motivated, proactive, and eager to contribute to innovative engineering projects while continuously advancing technical expertise.

engineering Use of 3D design software : SolidWorks and AutoCAD Application of mechanical design

Education Summary

Course	University	Passing Year	Country
Chartered engineer + Master's degree) in Mechanical Engineering	High National School of Advanced Technologies	2024	Algeria

Career Summary

Position	Employer	Country	From	To
Complex Internship	SOFACT-TDA	Algeria	04/2022	02/2025
