Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

I work as a pump operator and have extensive experience in pump maintenance, including various types of triplex pumps. SPM and HT400I perform pump maintenance before and after work, and I have the ability to organize the workers, control the work system, and ensure compliance with company rules and policies, as well as safety procedures to protect the workers at the well. Until the work on the well is completed, please review my resume. I hope I live up to your expectations. Thank you. I have worked in other companies with precision and integrity, adhering to company rules and policies.
