

FALCON[®]
MULTI SERVICES LTD

Falcon Multi Services Ltd

201, Creado, Juhu Chruch Road, Juhu Mumbai 400049

Personal Information

Candidate id	8575
Name	INNOCENT OTUU
Date of Birth	1984-07-07
Salary (in USD)	1500/Per Month
Industry	Trades & Technicians
Sub Industry	Mining
Nationality	Nigeria
Primary Language	English,
Secondary Language	English,
Total Years of Experience	10

Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

Maintain accurate records of maintenance activities, repairs, and equipment performance. Prepare reports on maintenance metrics, such as downtime, repair costs, and equipment reliability. Diagnose malfunctions in machinery and equipment based on observation and applying knowledge from past experience. • Responsible for maintaining and improving availability of rotating equipment across the Plant. Develop and maintain value-added work practices that assure the lowest total cost of ownership. Directs the dismantling, assembly and installation of industrial machinery. • Develop and ensure data quality for documents uploaded in the CMMS. Maintain holistic approach to standardized equipment. Develop Mean Time Between Failure, Mean Time to Repair, Failure Mode Effect Analysis template for rotating equipment and implement it. Monitors the quality and compliance of work in accordance with job standards. • Develop and monitor the performance of the rotating equipment (pumps, compressors, diesel generators, motors, turbines, blowers, cooling fans, etc). Deliver quick and effective technical solutions and proactively interface with other discipline lead for resolving issues. Identify bad actors in the plant and reliability improvement. Implements improvements, changes or new techniques or procedures. • Provide technical support to operators and other maintenance personnel on mechanical issues. Assist in training staff on proper equipment operation and maintenance procedures. Ensure that all maintenance activities adhere to safety regulations and best practices.
