## Personal Information

<b>Candidate id</b>	8655
<b>Name</b>	ATA UR REHMAN
<b>Date of Birth</b>	1992-05-22
<b>Salary (in USD)</b>	2000/Per Month
<b>Industry</b>	Drilling / Rig
<b>Sub Industry</b>	Roustabout
<b>Nationality</b>	Pakistan
<b>Primary Language</b>	English,
<b>Secondary Language</b>	English,
<b>Total Years of Experience</b>	12

## Additional Information

<b>Roles and Responsibilities</b>	<b>Additional Skills/Certification</b>
-----------------------------------	--

Executed routine and preventive maintenance of generators, motors, transformers, and rig lighting systems, improving equipment uptime and reliability. ? Diagnosed and resolved complex electrical faults, replacing defective parts and restoring critical systems with minimal downtime. ? Ensured all electrical systems complied with IEC, NEC, NFPA, and Saudi Arabian electrical standards, maintaining high safety and regulatory performance. ? Led the installation, retrofitting, and upgrading of new electrical equipment, guaranteeing operational readiness and compliance. ? Supervised assembly, disassembly, loading, and unloading of electrical equipment, coordinating with rig crews for safe and efficient operations. ? Maintained accurate repair logs, service manuals, and spare parts inventory, reducing delays and optimizing resource usage. ? Provided technical guidance and mentorship to junior electricians and trainees, enhancing team competence and safety awareness. ? Collaborated with drilling and maintenance personnel to ensure seamless rig operations and coordinated preventive maintenance schedules. ? Conducted HSE inspections and safety audits, reporting unsafe practices, leading JSA/Compass Card meetings, and reinforcing company safety culture. ? Served as an active member of the drilling emergency response team, supporting incident readiness and response. ? Recognized for consistently upholding company values, safety standards, and C.A.R.E. processes, with a proven record of regulatory compliance. ? Completed Expert-level BOP training and maintained updated certifications through Workday training programs.

Electrical Safety and Permit to Work (PTW) Training ? Lockout/Tagout (LOTO) Training ? Testing and Commissioning of HV/MV Switchgear and Protection Relays ? Pakistan Engineering Council Credential ELECT/59835

## Education Summary

Course	University	Passing Year	Country
Bachelor of Electrical Engineering	COMSATS University	2013	Pakistan

## Career Summary

Position	Employer	Country	From	To
SENIOR RIG ELECTRICIAN	ANTON OIL DRILLING	Pakistan	01/2020	03/2026
