

FALCON®
MULTI SERVICES LTD

Falcon Multi Services Ltd

201, Creado, Juhu Chruch Road, Juhu Mumbai 400049

Personal Information

Candidate id	8810
Name	MD WAKKAR ALAM
Date of Birth	2003-10-02
Salary (in USD)	1500/Per Month
Industry	Trades & Technicians
Sub Industry	Fabrication
Nationality	India
Primary Language	English,
Secondary Language	Hindi,
Total Years of Experience	5

Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

Preventive Maintenance and Corrective Maintenance of all kind Electrical Equipment's. • Issue and control electrical isolation certificates, work permits, method of statement and Job Safety Analysis for a smooth, safe and timely execution of work in accordance with Company's safety regulations and the general rules to ensure safe operation and maintenance of electrical apparatus on power network. • Maintain up-to-date records of all maintenance work completed including work orders and maintenance log, describe the fault, work carried out and materials, time and used, and record test results on various units for further reference. • Daily and regular inspection of electrical system and its equipment's if found any fault or alarm then inform to shift leader first after rectify the problem and make permit to solve it. • Performing Electrical Isolation, with LOTO according to IEC standard. • All area emergency lighting and normal lighting panels, lighting poles, and lights maintenance work. • Insulation Testing and Hi-Pot testing of power cables. • Checking of Motor IR & PI value and the winding resistance. • Plant all Motors and their cable Insulation testing and also maintenance (greasing, bearing change, etc.) • HV-LV motor test like IR, WR, Solo run test. • Checking of IR and contact resistance Measurement of Circuit Breakers and bus bars etc. • HV switchgear (6.6 kV, 11kv, 33kv) and control panel's Preventive and Breakdown works. • Maintenance & Operation of LV Motor up to 200 KW / 3 Phase / 380V / 415V / 50HZ. • Maintenance & Operation of MV Motor up to 1600 KW / 3 PHASE / 6.6Kv / 50HZ. • Maintenance & Operation of 6.6 KV AIS switchgears and circuit breakers. • Maintenance & Operation of Switch Gear 6.6 KV AND 11 KV. • Maintenance & Operation of distribution transformers 6.6 KV/0.415 KV, ABB 2500KVA. • Installation and Maintenance and functional testing of ABB VFD Model - ACS 880 and 580. • Troubleshooting and Fault Rectification of Control Panels. • Installation, repair and maintenance of Circuit Breakers & Motor Starters like Direct on Line, Star-Delta Starters. • Responsible for maintenance of Battery & Battery Charges and UPS System. • Glanding and Termination, megger Testing, all types of Instrumentation & Electrical installation. • Electrical work cables laying, dressing, All lighting panel DB junction box and panel termination.

Bosiet with EBS Opito Approved ? H2s Opito Approved ? Safety Awareness Program LOTO ? Work At Height ? Hunt & Sea Survival ? Professional trade certificates Electrical Safety Awareness

Education Summary

Course	University	Passing Year	Country
Diploma in Electrical Engineering	West Bengal University	2023	India

Career Summary

Position	Employer	Country	From	To
Electrician	EURO MECHANICAL OFFSHORE	India	02/2024	05/2025
