## Personal Information

<b>Candidate id</b>	9180
<b>Name</b>	Fernando Negretti
<b>Date of Birth</b>	1979-01-22
<b>Salary (in USD)</b>	250/Per Day
<b>Industry</b>	Oilfield Services
<b>Sub Industry</b>	
<b>Nationality</b>	Venezuela
<b>Primary Language</b>	Spanish ,
<b>Secondary Language</b>	English,
<b>Total Years of Experience</b>	22

## Additional Information

<b>Roles and Responsibilities</b>	<b>Additional Skills/Certification</b>
-----------------------------------	--

Specialist in well workovers, services, completions, well integrity monitoring, and failure analysis, with 21 years of experience in the oil and gas industry. Expert in well planning, operations management, production analysis, and coordination of materials and services to optimize the efficiency of new wells and mature fields with various artificial lift systems and geological conditions. Also experienced in HPHT gas wells, unconventional processes, hydraulic fracturing, and well integrity testing, including LOT (Leak Test), XLOT (Extended Leak Test), and FIT (Formation Integrity Test). Extensive experience in drilling and production operations across multiple projects. • Strong focus on continuous training, Quality, Health, Safety & Environment (QHSE). • Proven leader in technical and operational activities. • Expertise in both production and drilling operations.

Technical Highlights and Achievements • Integration of productivity solutions for the oil & gas business (Well integrity, failure analysis, well history, optimization, surface facilities, pipeline maintenance, drilling, coiled tubing, cementing, logging). • Coordination of upstream operations and process optimization focused on maximizing production capacity of assets. Core Competencies. Languages. • Well Services, Well Test, Well Integrity / Workover Operations. • Well Planning & Completion Engineering Software. • Artificial Lift Systems (ESP, PCP, Beam Pumps). • Contract & Project Management. • Production Optimization & Surveillance. • QHSE Compliance & Leadership. • Microsoft Office, DIMS, JD Edwards, RGAP. • Team Training & Cross-functional Leadership. • Spanish (Native) | • English (Intermediate – Certified B2 Tamanaco Institute). Others. - Texas Driver Licenses Class “C” to 05/2030. - U.S. Employment Authorization to 05/2030. - American VISA up to 03/2026. - Certificate of Congress Industrial & Mechanical Engineer -Gerenplanif - Weight buffers course – ArvinMeritor.
