

FALCON®
MULTI SERVICES LTD

Falcon Multi Services Ltd
201, Creado, Juhu Chruch Road, Juhu Mumbai 400049

Personal Information

Candidate id	9195
Name	UGUR ACAT
Date of Birth	1994-09-24
Salary (in USD)	8000/Per Month
Industry	Drilling / Rig
Sub Industry	Drilling Manager
Nationality	Turkey
Primary Language	English,
Secondary Language	
Total Years of Experience	7

Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

Design and plan drilling operations, including well trajectories, casing programs, and drilling fluid systems. • Analyze drilling data to optimize parameters such as weight on bit (WOB), rotary speed (RPM), and flow rates for improved efficiency. • Evaluate and select appropriate drilling equipment, including bottom hole assemblies (BHAs), drill bits, and rig systems. • Conduct cost analysis and risk assessments to ensure drilling projects are completed within budget and safety standards. • Prepare detailed drilling procedures and ensure compliance with regulatory and environmental requirements. • Monitor real-time drilling operations and provide technical support to resolve issues such as wellbore instability or equipment failures. • Perform post-well evaluations to identify lessons learned and implement improvements for future operations. • Oversee daily drilling operations on-site, ensuring adherence to the drilling program and safety protocols • Manage and lead drilling crews and service contractors, to maintain operational efficiency. • Conduct safety meetings, toolbox talks, and job safety analyses (JSAs) to promote a culture of safety and risk management. • Monitor drilling performance indicators (e.g., rate of penetration, torque, drag) and adjust operations to optimize well delivery. • Supervise critical operations such as casing running, cementing, and well control procedures to ensure they are executed safely and effectively.

IWCF - Distinction
Expiry date :
15/05/2026

Education Summary

Course	University	Passing Year	Country
Petroleum and Natural Gas Engineer	Middle East Technical University	2019	Turkey

Career Summary

Position	Employer	Country	From	To
Mud Engineer	GEOS Energy	Turkey	11/2019	07/2022
Drilling Engineer & Drilling Supervisor	Çal?k Petrol	Turkey	07/2022	04/2026
