

FALCON[®]
MULTI SERVICES LTD

Falcon Multi Services Ltd

201, Creado, Juhu Chruch Road, Juhu Mumbai 400049

Personal Information

Candidate id	9320
Name	Abutalib Khasayev
Date of Birth	2000-07-29
Salary (in USD)	2500/Per Month
Industry	Maintenance & Inspection
Sub Industry	Maintenance Manager
Nationality	Azerbaijan
Primary Language	English,
Secondary Language	
Total Years of Experience	1

Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

Aerospace engineer with a strong academic foundation in mechanical and aerospace engineering, complemented by hands-on offshore experience. Proficient in gas turbine systems, centrifugal compressors, and rotating machinery, with practical involvement in inspection, maintenance, and performance optimization under offshore operating conditions. Strong focus on reliability, safety compliance, and the application of advanced materials and manufacturing techniques to improve equipment efficiency and operational integrity. Involved in offshore mechanical maintenance, troubleshooting, and repair of gas turbine-driven centrifugal compressors. Executed mechanical inspections, component replacement, shaft and coupling alignment, and condition monitoring in accordance with OEM procedures and technical documentation. Supported offshore installation, commissioning, and start-up activities, working alongside engineers and client representatives to identify and resolve mechanical and electrical issues, contributing to safe operations and minimized downtime.

Proud recipient of this prestigious award recognizing outstanding academic achievement and providing the opportunity to pursue advanced studies abroad at top-tier institutions.
 -Aerospace engineering -Understand, handle and maintain compressors and their mechanical parts - Use CAD software -Microsoft Office - Troubleshooting -Communication - Health safety -Engineering principles and operation of gas turbines

Education Summary

Course	University	Passing Year	Country
Aircraft maintenance engineering	National Aviation Academy	2022	Azerbaijan
Advanced mechanical engineering with Aerospace	Strathclyde University	2024	United Kingdom

Career Summary

Position	Employer	Country	From	To
Field service engineer trainee	Glensol LLC	Azerbaijan	03/2024	12/2024
