Additional Information

Roles and Responsibilities	Additional Skills/Certification
<p>Dear hiring manager, First of all thank you for giving me opportunity to introduce myself to you, I am Ahmer Shabbir, A Petroleum and Gas Engineer currently pursuing a Master's degree in Chemical Engineering from Ned UET, With practical experience in both refining and oilfield operations. I completed a six-month internship at Pakistan Refinery Limited in the Tank Farm department, where I gained hands-on knowledge of storage, logistics, and refinery operations. In addition, I have almost 1 years of professional experience in oil and gas industry including Sprint Oil and Gas Services, where I developed strong technical and operational skills related to equipment handling and support for oilfield activities. With this combined academic background and industry exposure, I am eager to contribute effectively to your organization, applying my knowledge while continuing to learn and grow. Thanks for your time and consideration.</p>	<p>Ms office, MATLAB,</p>
