MULTI SERVICES LTD

Falcon Multi Services Ltd

201, Creado, Juhu Chruch Road, Juhu Mumbai 400049

Personal Information

Candidate id	9356
Name	Denis Khisamov
Date of Birth	1994-07-04
Salary (in USD)	4500/Per Month
Industry	Drilling / Rig
Sub Industry	
Nationality	Russia
Primary Language	English,
Secondary Language	English,
Total Years of Experience	10

Additional Information

Roles and Responsibilities	Additional Skills/Certification
-----------------------------------	--

Senior Well Engineer - First Lump sum turnkey (LSTK) project in Russia as General Contractor for ROSNEFT. 3 Land rigs, remote location, complex logistics. Workover, Frac and Coiled Tubing operations during post drilling phase. Drilled development wells (3,200 m TVD / 6,500 m MD) using 2,000 HP rigs, 15K BOPs, and WBM up to 1.65 SG. Target HP formation with narrow MW (MPD implemented in horizontal section). RIH 15 stage MultiFrac Completion (liner-hanger with 15k pressure rating). Prepared drilling programs, analyzed offset wells, led DWOP and pre-section meetings, implemented lessons learned, and delivered end-of-well reports (EOWRs). Investigated drilling incidents, identified root causes, and recommended preventive actions to enhance safety and operational performance. Drilling Engineer - Drilled complex development wells (1,500 m TVD / 7,200 m MD) from jack-ups and fixed platforms using 2,000 HP rigs, 5K BOPs, and OBM up to 1.65 SG, delivering ERD wells (ERD ratio 5.3), TAML-5/TAML-3, intelligent completions, and multilateral wells with up to 10 fish bones. Provided 24/7 operational support during well construction, performing torque & drag and hydraulics modeling, and executing casing running and cementing simulations in ERA. Supervised up to 3 drilling rigs simultaneously, supported rig-site execution, and ensured adherence to drilling programs and safety standards. Led DWOP/CWOP, pre-section, and pre-job meetings, and executed well planning activities including BOD preparation, offset wells analysis, rig sizing, and drillability assessment/optimization.

Drilling ERD wells, Schlumberger Learning Center, Tyumen, Russia 2025 Stuck Pipe Prevention (SPP) & Preventative Well Control (PWC) Courses, Schlumberger, Moscow, Russia 2025 Extended Reach Drilling Course, STIM Services, Astrakhan, Russia 2025 Well Crew Resources Management (WCRM), Schlumberger, Moscow, Russia 2019 Drilling and Well Engineering, Schlumberger Learning Center, Abu Dhabi, UAE 2019. Topics: Geomechanics; Casing Design; Torque and Drag Analysis, ERD wells. Technical Development Program, Asfur Oilfield, Sultanate of Oman, 2017. Working with drilling crew on H2S, High Pressure project. Rig Systems and Operations. Drilling Operations, Schlumberger Learning Center, Abu Dhabi, UAE 2017. Topics: Drilling fluids; BHA/Drill String Design; Anti-Collision, Hole Cleaning

Education Summary

Course	University	Passing Year	Country
Onshore and Offshore Horizontal and ML Wells Construction	Gubkin Russian State University of Oil and Gas	2018	Russia

Career Summary

Position	Employer	Country	From	To
Senior Well Engineer, IPM	Schlumberger	Russia	11/2025	
Drilling Engineer	LUKOIL	Russia	12/2022	10/2025
Well Engineer, IPM	Schlumberger	Russia	12/2016	11/2022
Drilling Engineer Assistant	Petroengineering	Russia	07/2015	05/2016
