## Additional Information

<b>Roles and Responsibilities</b>	<b>Additional Skills/Certification</b>
-----------------------------------	--

I have more than 31 years of experience in the oil and gas industry, I have had various roles with land and offshore, starting from a lease hand and progressing to Rig Manager and Rig Superintendent. I have worked in different locations around the globe, Thailand, Vietnam, Malaysia, West Africa, and Mexico, gaining extensive experience in both land and offshore operations. I have numerous roles in the Oil & Gas Industry, Rig Superintendent, Rig Leader, Rig Manager plus I have been a roving rig manager as a Trust & Verify Auditor, main areas were focused on auditing the company's assets for compliance and safety and to ensure that all systems were adhered to and used effectively. In the land rig sector, I have 14 years of expertise, covering drilling technologies, financial management, and leadership with a strong emphasis on safety and teamwork. Certified with IWCF Supervisors level 4 and BOSIET, I am very well-prepared for challenges in the dynamic oil and gas field. As a Rig Manager, I have overseen drilling operations, SPS, reactivations, and ensured safety compliance, conducted audits, and managed drilling units in various geographical locations, both offshore and on land. I can work isolated or in a team environment, I am very calm in stressful situations, I listen to others' opinions and try and get the best results from the people and team I work with.

Completed my IWCF level 4 well control.
