<p>Dear Hiring Manager, Hope you are pretty well. I am a Mechanical Engineer with over four years of hands-on experience in oil &amp; gas, specializing in surface well testing, real-time data analysis, and high-pressure operations. In my current role, I have been actively involved in maintenance, troubleshooting, and offshore/onshore operations, consistently improving equipment reliability and operational efficiency while ensuring strict HSE compliance. I bring a strong technical background combined with practical field experience, including surface logging, drilling support, and equipment rig-up/rig-down. I am highly motivated to contribute my skills to a dynamic engineering team and take on new challenges in the energy sector. I would welcome the opportunity to discuss how my experience aligns with your organization's needs. Could you do me a favor to find a job relevant? Kind regards, Zahit Demir</p>	<p>BOSIET HSE WELL TEAM WORKING ADAPTATION</p>
