Additional Information

Roles and Responsibilities	Additional Skills/Certification
<p>Worked as logger n de in different locations. Mostly in far east asia at offshore n onshore rigs. I have joined in oil n gas industry in 2005 and worked till 2015. Then laid off due to oil.market slump. Joined back in 2018 in gwdc and workwd till 2021. Then joined in geoservices Aus. Worked there till w025 January. We have monitored the drilling parameter and describe the cuttings amd update masterlog and reports. Recorded the data base and gas reading from the well. Worked in 12 hours of contoinus in day n night shifts. Worked in offahore and onshore areas at different types of well like exploratory, development and horizontal wells. I was busy with company startegies and follows the rig safety n policies. Always keep any eye on the drilling parameter to watchout any anomly and keep checking the recording of drilling parameters.</p>	<p>Have done the company certifications and courses in different times as per company policies.</p>
