Additional Information

Roles and Responsibilities	Additional Skills/Certification
<p>As a Drilling Engineer at Halliburton, I provide solutions to ONGC for well planning, casing design, trajectory planning, offset wells analysis, monitoring, directional drilling, LWD, and MWD. My role involves assisting clients in identifying real-time drill anomalies, finding and implementing key improvements to NPT, ILT, and KPI, optimizing their drilling costs, and raising alerts during the drilling process to prevent SOP violations and detect kicks, string stalling, and real-time formation evaluations. Additionally, I collaborate with other service providers to gather comprehensive drilling data and information for well planning. I have worked as Directional Driller at Almansoori for several clients I.e. ESSAR, Oil India, ONGC at different regions in India. Also worked as MWD and LWD Engineer at Almansoori and Halliburton</p>	<p>Well Planning Monitoring Directional Drilling MWD LWD</p>

Education Summary

Course	University	Passing Year	Country
