----------------------------	---------------------------------

I was working at ADNOC 3rd party [SAA TECHNICAL SERVICES COMPANY] as an Assistant driller .I enjoy a high-energy atmosphere and meeting new people. I am eagerly waiting to work in a professional environment where I can expose my skills to the best of my abilities. In the short period of years , I have understood that:I can maintain the equipment neat and efficient at all times I always adhere to the safety measures instructed by my superiors.I can also handle minor troubleshooting easily.monitoring equipment, ensuring that it's functioning properly, handling routine maintenance tasks, keeping track of inventory .Assist the driller before operation all tools arrange in proper place .Before start job discuss pre job safety meeting and prepare PTW .

As a confident individual who has excellent communication skills and leadership qualities, I will be at the forefront in performing various complex tasks under the supervision of my seniors. I would like to be allowed to demonstrate my professionalism in person and discuss further qualities if required .
